

Styler to Go

*Shown with optional Wheel Stinger™

Styler to Go is a standard feature with the FreeStyler. This feature enables you to enhance the exterior appearance of your FreeStyler to complement your facility's brand image. The Styler to Go color package consists of an aluminum FreeStyler carriage with your choice of four prepackaged exterior accent colors.

Optional Styler to Go Upgrade:

- White powder-coated FreeStyler carriage & silver powder-coat frame.
- Custom branding panel logo.
