

OverGlow® Arch Series

Put the shine back into your profits with the OverGlow® Hi-Gloss Application system from Belanger.

The OverGlow application is a proven extra service revenue generator and is now available with our Chameleon® Arch Series. This Hi-Gloss application delivers a colorful, thick sheet of solution that drapes customers' vehicles letting them know they're receiving something special.

Not only will your customers love their shiny vehicle, you will love the extra revenue this option will bring to your bottom line. The OverGlow system includes strategically located bright LED lights that will further enhance the customer experience.

OverGlow® Arch Series
