Kondor® Flight Carriage Replacement Kits **NOW \$8,000 OFF MSRP.**

Is your Kondor from Belanger in need of a new look and upgraded features? The **Kondor Flight Carriage Replacement kit** features a **modern brighter and sleeker look carriage and wash manifolds** for unprecedented curb appeal.

The replacement carriage kit includes:

- ✓ NEW Kondor Flight Carriage covers, stainless steel carriage frame and updated wash manifolds.
- ✓ Upgraded Stainless Steel Flags
- ✓ Upgraded Stainless Steel Overhead boom
- ✓ OverGlow Hi-Gloss Application System & accessories

For information on updating your current Kondor with the new Kondor Flight Carriage Replacement kit contact your Business Development Manager or local Belanger Distributor.

NOTE: Current PLC's and HMI's will need to be updated with the purchase of new components or return existing to the factory to be updated and returned for installation. Qualifying models for the Kondor Flight Carriage Replacement include KL1 Trim C, KL2 Trim C, KL1 Trim D and KL2 Trim D. Kondors with Trim Level A or B cannot be retrofitted.

Orders must be placed by May 29, 2026 and shipped by June 26, 2026. Offer cannot be combined with any other discounts. For additional information please contact the factory.
