

OPW
VEHICLE WASH SOLUTIONS

FROM EVERYTHING TO THAT ONE THING.

THAT'S WHY TUNNEL OPERATORS TURN TO OPW VEHICLE WASH SOLUTIONS

The trusted source that brings together the equipment, chemistry, technology, and expertise needed to improve performance across every site.

Because growth doesn't come from guessing. It comes from getting every detail right.

GET WHAT YOU NEED. EXACTLY WHEN YOU NEED IT.

With a robust equipment lineup, advanced payment and membership technology, proven chemistry, and best-in-class support we help you deliver:

- More consistent wash quality
- Faster throughput and higher uptime
- Stronger customer loyalty
- Increased revenue per site

Whether you're optimizing one location or scaling across many, we bring the right tools, and the right people, to help you move forward with confidence.

A COMPLETE SYSTEM. BUILT TO PERFORM.

From transaction, to tunnel to shine:

ICS payment, membership, and digital solutions that simplify operations and grow revenue

Belanger tunnel systems and components engineered for reliability and performance

Turtle Wax Pro chemistry that delivers a finish customers can see – and come back for

The Agency at ICS helps you attract, convert and retain more customers

WashCloud brings your entire car wash operation together in one powerful platform. Instead of guessing what's happening across your sites, you can see it clearly, and act quickly.

- One simple dashboard for operations, finances and marketing
- Real insights from consumer, equipment and operator data
- Tools that help increase uptime, control costs and influence customer behavior

BUILT FOR MULTI-SITE GROWTH

- More Uptime** | Reduce disruptions and keep every tunnel running at full potential.
- More Consistency** | Deliver the same high-quality wash across every location.
- More Visibility** | Understand performance across your entire network in real time.
- More Revenue Per Car** | Optimize every wash for maximum return.

PEOPLE WHO KNOW YOUR BUSINESS

- A deep team of industry experts
- A consistent, local distributor network with regional expertise
- Partners who are easy to work with, and focused on your success

LET'S WORK TOGETHER TO BUILD SOMETHING SPECIAL | UNITED WE WASH
